AUGUST — 2017

COMES NOW, the Plaintiff Kyle Lydell Canty, In Propria Persona and of Sui Juris on the 28th day of the month of July year 2017, moves this Court Pursuant to "Question of Law", Rule of Law, Common LAW, U.S. Constitutional Law, and

P1 of 5

Federal Rules of Civil Procedure (FRCP)

I. Statement of issues

Should Defendants King County and it's employee's be permitted to try to make the Plaintiff out to be the Villain when he his really the victim? recently Defendants King County filed (Proposed order Denying Plaintiff's Pending motions at the very last minute, however Plaintiff filed a default Judgment against King County, however the Clerks of the Federal Courts didn't file it on purpose. Defendants King County failed to respond within 30 days of receiving the amended Complaint. Therefore the Plaintiff should have won against King County by default right or wrong? Should Defendants King County be

permitted to lie about what the Plaintiff was charged with relating to King County Cause No. 16-1-03103-6 SEA

(Exhibit N) States that Plaintiff's Criminal Cause No. of 16-1-03103-6 SEA was Count 1 Felony Harassment pursuant to RCW 9A.46.020(1), (2)(b), Count 2 Assault in the Third Degree. Defendant King County now is trying to lie about what charges were dismissed with prejudice.

II. Evidence relied upon

The Plaintiff Kyle Lydell Canty rely on old evidence that King County was not able to alter in their Court database as they're known for doing, Hell even The Hon. James P. Donohue recalls both of the Plaintiff's Dismissed With Prejudice old Criminal Charges

(Attached is exhibit N) old charge doc.

III. Argument

For reasons that are unclear Defendants King County Wants to play dirty and Cheat, however Since the Plaintiff has the old Charge document (Please See Exhibit N) This now becomes a "Question of Law" - A dispute as to what actually happened Pertaining to Cause No 16-1-03103-6 SEA. The Defendants King County Put their foot in their own mouths When they filed With the Courts the Proposed Order Denying Plaintiff's Pending Motions

IV. Relief Requested

Plaintiff Kyle Lydell Canty request that the Courts allow him to bring all defendants to

Justice and allow this Civil action to proceed on With trial, and grant all of his motions. Also he is requesting all future motions that he makes, to be noted on the motion Calendar for "Oral Argument"

V. Conclusion

The Plaintiff expected to lose on King County Criminal Cause No. 16-T-06917-3-SEA, If everyone recalls the plaintiff wrote to the federal Courts in the form of a motion and said that all Courts in Seattle are Corrupt even the federal Courts, the Plaintiff still maintains his innocence on all Criminal Charges/illegal Bench trial Convictions, by Judge Lori K. Smith

The figure consists of seven sub-diagrams labeled 1 through 7, showing the progression of a minimum spanning tree algorithm on a graph with 10 nodes and 15 edges. The edges are labeled with numbers 1 through 15. The nodes are arranged in a grid-like pattern. The algorithm proceeds as follows:

- Diagram 1:** The initial graph with all edges (1-15) present.
- Diagram 2:** Edge 1 is highlighted in red, indicating it is the first edge selected.
- Diagram 3:** Edge 2 is highlighted in red, indicating it is the second edge selected.
- Diagram 4:** Edge 3 is highlighted in red, indicating it is the third edge selected.
- Diagram 5:** Edge 4 is highlighted in red, indicating it is the fourth edge selected.
- Diagram 6:** Edge 5 is highlighted in red, indicating it is the fifth edge selected.
- Diagram 7:** The final minimum spanning tree is shown, consisting of edges 1, 2, 3, 4, and 5. All other edges (6-15) are shown in grey, indicating they were rejected.
